Cherry Blossom Snow

I feel blessing all around me
Falling from the sky like
Cherry blossom snow

The air itself is alive-
Birdsong, sunshine, gentle breezes
Breath of Life

Every day I watch the trees
Push out their green hearts from within
And I feel myself expand too
My green heart beats and quickens
Breath of Life

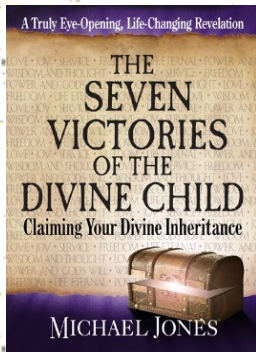

I want to be free, to take my joy,
My Big Love
But I have feet of earthen clay
Fired in fear
But then I remember the gift of cherry blossom snow,
Descending upon me
Breath of Life

I give a nod towards freedom
And feel the tiniest breeze across my cheek
Deep breath-Courage

I take one small step toward my destiny
And feel the earth give a rumble beneath my feet
Deep breath-Believe

I ask for a miracle
And see the heavens open up and pour forth their grace
Breath of Life

And it feels like cherry blossom snow upon my face
